

## About Us - ARTSA

### Who We Are

Welcome to the Aviation Regulatory Training Standards Association (ARTSA) - a pivotal network of EASA-compliant training organizations, industry professionals, and regulatory education enthusiasts. As a non-profit organization, our mission is rooted in elevating the standard and quality of aviation regulatory training across the globe.

Located in the vibrant city of Sofia, Bulgaria, ARTSA stands as a testament to the unity and shared vision of upholding the highest levels of safety and professionalism within the aviation industry.

### Our Vision and Mission

At ARTSA, we are driven by the collective goal to harmonize aviation regulatory training standards. We provide a central platform where best practices, innovative learning methods, and professional development converge to form the cornerstone of superior aviation safety education.

### Our key objectives include:

- Developing EASA-compliant training standards for uniform adoption.
- Establishing a globally recognized benchmark for regulatory training excellence.
- Encouraging our membership to embody these universal standards.
- Fostering a culture of continuous learning and professional advancement.
- Facilitating an interconnected web of global cooperation among our members.

### Membership Spectrum

ARTSA's membership framework is diverse and inclusive, comprising:

- Full Members: Esteemed organizations committed to delivering premier EASA Compliant
- Aviation Regulatory and Vocational training.
- Associate Members: Visionaries and entities that support our mission and collaborate to achieve our collective goals.

- Honorary Members: Allies in our quest for excellence who, while not bound by our code, share in our pursuit of aviation regulatory superiority.

## **Governance and Ethics**

Our operations are held to the highest ethical standards, guided by a strong code of conduct and an unwavering commitment to integrity. Managed by a seasoned Board and an astute Executive Director, ARTSA stands proudly as a legally established entity within the framework of Bulgarian law, operating through the generosity of our members, donations, and committed supporters.

## **Join with ARTSA**

Becoming an ARTSA member equips organizations with a framework for exemplary virtual aviation training, reflecting the same quality and integrity found in traditional educational settings. We champion an effective virtual learning atmosphere conducive to active engagement and backed by sophisticated tools to enhance the learning experience.

Discover the ARTSA difference. Engage with us to elevate your organizational training frameworks and contribute to a safer aviation future. For membership inquiries and more information, reach out to us at [office@artsa.aero](mailto:office@artsa.aero).
